1st Trustee-Rick Merkl

Grand Knight-Mike Mishler:

September has long been my favorite month. The beginning of the fall season, crisp cool nights, start of the football season, and oh yes, if you live in La Crescent, Apple Fest.

September always brings back memories of going back to school and as parents we relive our school days through our children and grandchildren and their activities.

September, in recent years, also brings back a very grim memory of what happened on that day of September 11th, 2001. Memories of where we were and what we were doing when we learned of the terror on American soil.

September th

on your drive into work, your lunch break, or as you pray with your family to remember those who tragically lost their lives on that day and to pray for peace in the world.

*Our program planning meeting in August was quite productive. The goal for our council is to achieve Star Council status. As far as programs are concerned, we are very close in meeting that level of achievement. **Pro-Life Activities** has been added as the sixth program category. Steve and Rosemary Zemlo have stepped forward to help our council promote pro-life activities in our council. Our challenge for the coming year is to meet a 7% increase in membership quota and the insurance member quota's. Brother's, we can do it! We need your help!*

We recognize that improving our public relations efforts will help us achieve our membership goals. Our new website www.kofc5115.com is one way of addressing this need. If someone is interested in helping us find other ways to help us improve our public relations, please feel free to contact me.

Much on the calendar this month, check out www.kofc5115.com for a full program calendar:
